**AMARELLE SUPPORTS HOPE**

"Every child needs health, hope and a hero" is one of the slogans for the South African foundation HOPE Cape Town. Everyone who comes into contact with HIV is such a hero themselves, because they have to endure infection and cope with the stigma. The specific goal of the work is to improve the living situation and quality of life of children and their families affected by HIV/AIDS so that they can reach their full potential. Founded in 2001 by Pastor Stefan Hippler and pediatrician Dr Monika Esser, HOPE Cape Town is now a recognized non-profit organization that partners with city and national health facilities, other aid agencies and community-based organizations to provide education, treatment and support for HIV-positive children and their families. Holistic care from medical to social support for HIV-positive children and youth is the foundation's recipe for success.
